## Scholarship Application

"After School at the Stable" Scholarship Sponsored by the Conifer Rotary Club

The Conifer Rotary Club has generously awarded the funds to sponsor four half-scholarships or two full scholarships for the remainder of the school year. Applicants must be available to take their riding lesson on Tuesdays at 5, Wednesdays at 3, 4 or 5pm; or Thursdays at 4pm. Half sponsorships mean that the parent will be responsible for \$75 paid in advance each month to the program. We also would like families to <u>intend</u> to continue participation after the 2011-12 school year. We prefer applicants ages 8-11, although exceptions will be considered. Applicants must be residents of the local area.

<u>"After School at the Stable</u>" (ASATS) is the nucleus of Centaur Rising's youth riding programs. Through ASATS we develop leaders who teach future students in both our after-school and summer <u>Horse Camp</u> programs. If you would like your child to be involved in this program, please complete the following application as well as an <u>ASATS registration form</u>. After their sponsored involvement, selected applicants are required to make a presentation to Conifer Rotary Club to tell members what the program has meant to them.
