Warning: Please be advised that horses are subject to unpredictable acts. They may startle, buck, rear, kick, bite or run away. You are cautioned that the riding of horses is potentially dangerous. Boots with heels and ATSM-approved riding helmets are recommended to help you minimize the risk of serious injury. Riding helmets are required for anyone under the age of 18. We strongly advise the purchase of your own equestrian helmet and that it be properly fitted for you. We cannot be held responsible for the performance of any helmet, particularly one that is not your own. Please understand that you are undertaking this activity at your own risk and that, *under Colorado law, an equine professional is not liable for an injury to or the death of a participant in equine activities - due to the inherent risks of such activities (CR5 1 3-21-120)*. **I have read the above and understand the conditions under which I am enrolled in this program.**
